Vehicle Use and Volunteer Driver Information Sheet

Recognizing that volunteers are called by the Spirit to serve, and rejoicing in their willingness to do so, we give thanks for your offer of time and resources. We also realize that in today's world there is a need to safeguard our children, as well as the church, from harm and litigation. Therefore, these are minimum standards we must require for drivers on all youth and church functions. These apply to drivers of rented vehicles and those driving privately owned vehicles for church sponsored functions. Please read and fill out both sheets completely. Thank you.

- You must be at least 25 years of age.
- You may have no more than one "bad driver" point on your record per year and no more than two total. A year will be considered from incident calendar date to calendar date, not calendar year.
- You must be covered on an automobile liability policy, with minimum liability coverage of \$100,000 each person, \$300,000 each accident for bodily injury, and \$50,000 property damage (or a combined single limit of \$300,000 for bodily injury and property damage).
- Upon arriving at a youth ministry event, all transportation will be provided by approved adult drivers. Youth are not permitted to drive after arrival.
- There may not be any DUI currently on your driving record.
- If you are driving your own vehicle, it must be in good mechanical condition, and there must be a seat and seat belt for each person in the vehicle and they must be used.

It is our policy that each potential driver has motor vehicle record (MRV) check done by our insurance agent.
